

852563 size: 70 x 25 cm • 28" x 10" • Nylon 800D (outside bladder) • Nylon 200D (inside bladder) • colour: ■

Our big buoys for freedivers come in two different colour combinations, red and pink and feature:

- high frequency welded inside bladder in Nylon 200D in extremely light weight (only 1.2kgs)
- SS ring on the bottom and around the buoy
- Net on the bottom for water drainage
- large opening on the top
- possibility to install divers' flag

41640/1-3 sizes: M, L, XL • colour: ■

LONG FINS WITH STRAP

Introducing new long fins for freediving with adjustable strap to be used with neoprene booties or socks, ideal for colder waters and strong currents.
